We received 58 topics for consideration and we were pleased with the quality of all of this year's submissions. At their quarterly meeting in Austin this week, THC Commissioners approved the following 20 topics to receive state-sponsored historical markers:

Delta Co:	Delta County Patterson Museum (RTHL)
Denton Co:	Beulah Ann Harriss
Donley Co:	St. Stephen's Baptist Church
El Paso Co:	Estela Portillo Trambley
Galveston Co:	Greek Orthodox Cemetery
Harris Co:	Baytown Mexican School (De Zavala Elementary School)
Harris Co:	Fair Grounds Base Ball Park
Hunt Co:	Mary Jim Morris
Jasper Co:	Jasper Steers Baseball Team
Kinney Co:	John Horse, 1812-1882
Nacogdoches Co:	E. J. Campbell School

Walker Co:	Grant's Colony
Webb Co:	Congreso Mexanista
Webb Co:	Jovita Idar
Wichita Co:	Dr. C. B. Fuller
Wood Co:	Removal of Cherokees

We wish we could fund markers for all the topics we received, but our resources are limited. We sincerely appreciate our ongoing partnership with you to preserve and promote the special places in Texas. You may seek other ways to tell these stories, and we do encourage you to reapply for Marker Application Funds consideration next year or for a regular application if you have available funds. Check the THC historical marker web page at <http://www.thc.state.tx.us/preserve/projects-and-programs/state-historical-markers> for announcements and information about the program. Thank you for your efforts to recognize historic topics in your community and for sharing these stories with us.
